

What you said about Merseyside Community Support in 2019

What you said you liked best:

'Staff are very courteous and support me well'

'Building great relationships through great support'

'I like to help others while being supported myself'

What you want us to make better:

More flexibility and choices would be great

Building trust with a range of staff - better introductions

Better outcomes around health and wellbeing

You scored Merseyside Community Support 9 out of 10:
