

Equality Data Request to Supporters

Here at PSS we want to be an organisation that understands and takes equality matters seriously.

This means that from time to time we need to monitor the effectiveness of what we do by gathering individual personal information on the diversity of our carers.

To help us do this can you please complete the following questions.

We will use this information to help us see how well we are doing against our equality targets. All information provided will be dealt with in accordance with Data Protection rules.
