KEY RESPONSIBILITIES

Service Delivery

Each service in PSS has an annual service plan that links to the overall strategic plan, or as we call it in PSS, 'The Big Plan'. **You'll participate in the development of the service plan and will be** responsible for implementing it within your area.

You'll need to make sure that the PSS systems for individual and person-centred support planning are in place and that all the relevant risk assessments and reviews happen.

We'll need you to monitor and report on progress in achieving service targets alongside the service manager **in line with managing the contractual requirements for the service and you'll also have a** key role in gathering information for reports to demonstrate the impact and social value of the service.

As the team manager you'll work alongside the service manager ensuring that the service is compliant in line with the requirements of CQC, internal and external quality frameworks and all our PSS policies and procedures.

You'll have responsibility alongside the service manager for making sure that the office is well-organised and that it provides a pleasant and safe working environment.

On occasions you will be required to travel to our central office in Liverpool and other locations as identified to access training and workshops.

We're committed to involving supported people so that their views and ideas shape the way we do things. You'll lead on this work in them in the Lincolnshire service.

You'll have a series of responsibilities relating to our management of self-employed carers. These will include:

- Working with our England Innovation and Development Manager to Implement robust processes for carer recruitment, training and approval
- Supporting and developing our Self-employed Shared Lives carer to maintain successful Shared Lives arrangements
- Facilitating regular meetings with Shared Lives carer groups and keeping them up to speed with relevant information so that they feel well-informed and engaged with the service and the wider organisation.

PSS have a client management system, a Matching Lives website and on line learning platforms which you monitor and where needed manage change and identify learning for your team as required.

People Management and Relationships

The people reporting directly to you will be Shared Lives Development Workers

It's important that our people have clear objectives for their work and we want to help them grow by understanding where they are doing well and where they might need to improve. You'll meet regularly with your direct reports to regularly go through caseloads and files. You will use the PSS performance management framework as the basis for your discussions with them throughout the year.

Sustainability and Business Development

You'll contribute to the review and development of the service working with the service manager so that it delivers excellent outcomes and best value for our commissioners.

You'll build and maintain positive working relationships with commissioners and other agencies to help us identify and deliver new business opportunities and potential partnerships.

You'll be the 'face' of PSS and the service in the Lincolnshire service so we'll want you to participate in internal and external networks, promoting PSS and the Shared Lives service.

From time to time we submit tenders for new contracts so you will have a role to play in providing operational information when needed to support our Business Development and Innovation team when they are bidding for new work.

Finance and Resource Management

You'll be responsible for building budgets and managing accounts supporting the service manager to ensure to remain financially strong. You'll be proactive in reviewing the service regularly to make sure that our ways of doing things are cost effective to provide best value for money.

ADDITIONAL DUTIES

So you know where we're going and how we're going to get there you'll actively participate in developing organisational, team and individual objectives and plans.

We also want you to **become the best person you can be so you'll attend staff development sessions** including training and also engage with our performance management and learning and development reviews.

We'll need you to be flexible in the performance of the above, but also to understand that our big aspirations and plans may mean we ask you to help out in other areas from time to time.

All of our jobs are subject to change from time to time and this job description will be reviewed regularly, **something which we'll ask you** to give us your input to.

As a PSS employee we'll need you to implement and follow PSS policies and procedures and to undergo any training associated with them. This makes sure everyone is on the same page and safe in their work.

JOB DESCRIPTION

This job description is a guide to the work you will be required to undertake and represents a range of responsibilities commensurate with the grade for the post. It does not form part of your contract of employment.
