Service Delivery

To lead in your designated area in the matching of people who would benefit from Shared Lives arrangements with Shared Lives carer/s following referrals from Local Authorities.

To maintain Shared Lives arrangements through supporting and visiting within their homes or in the community as required both the people we support and Shared Lives carers within the service on an ongoing basis to complete among other things wellbeing checks, Shared Lives carer's annual reviews.

Where applicable medication and finance checks, home safety checks and to support the Shared Lives carer to maintain their training and other relevant checks such a DBS and Gas safety certificates.

To maintain up to date and accurate records and to write reports as necessary/requested.

To work alongside the supported person and Shared Lives carers and where relevant their families and the Local Authority representatives in the development of their person-centred support plan, risk assessments and ongoing reviews.

Arrange and support access to training and sessions for Shared Lives carers to support them to meet the training requirements of the service they are providing.

To promote Shared Lives to Local Authority teams, colleges etc., through presentations, events and welcoming visitors to the service.

To keep up to date with developments and legislation within the field of Shared Lives, ensuring that standards of service are maintained and improved.

To work flexibly under the direction of the Shared Lives Manager to maximise the resources available within the service.

People Management and Relationships

To support a team of self-employed Shared Lives carers.

To work with the supported person to ensure their experiences within Shared Lives are positive and person centred.

To work alongside volunteers / experts by experience in the development of the service.

To engage fully with representatives of Local Authorities to ensure a service that is continually improving and responsive to needs.

Sustainability and Business Development

To maintain effective partnerships with other agencies and to provide information about the service to other interested bodies and agencies.

As a member of the Shared Lives Team, you will be expected to play a full part in all service delivery and planning.

Finance and Resource Management

With support from the service manager to monitor and control expenditure for own area of responsibility and to ensure PSS financial procedures are followed.

To complete regular finance checks of supported people's money as required.

ADDITIONAL DUTIES

To actively participate in developing directorate, team and individual objectives and plans, attend staff performance management and learning and development reviews.

The post holder is expected to be flexible in the performance of duties and to undertake any other duties identified as appropriate to the post.

All jobs are subject to change from time to time and this job description will be reviewed regularly.

JOB DESCRIPTION

This job description is a guide to the work you will be required to undertake and represents a range of responsibilities commensurate with the grade for the post. It does not form part of your contract of employment.
